High Street Estate Agency

Connells Group is one of the largest and most successful estate agency networks in the UK with nearly 600 branches nationwide.

We are also proud winners of 65 industry awards since 2004, including Best Large Estate Agency and Best Large Lettings Agency at the concluding Estate Agency of the Year Awards.

Our branches offer the perfect combination of property services to home buyers, sellers, landlords and tenants, including:

- Residential sales
- Residential lettings
- Mortgage services
- New homes
- Auctions
- Land and planning
- Conveyancing
- Surveys and valuations
- Asset management
- EPC provision
- Will writing

Residential Property Auctions

Through our leading London-based auction house, Barnard Marcus and our regional auction centres, we are one of the largest volume residential property auctioneers in the UK.

Land and Planning

Connells Group Land and Planning is a leading multi-disciplinary, national development agency that has been established for more than forty years.

We have a dedicated team of land professionals operating nationally who offer a wide range of services tailored towards the acquisition and disposal of land on behalf of housing developers and land owners.

Our many clients include public bodies and institutions, corporate and private land owners, housing associations and regional house builders.

From identifying the initial development opportunity through to the completed scheme, we provide an all-encompassing, end-to-end service to land owners and developers. Our expert strategy, coupled with our local housing market knowledge, ensures we optimise the value of the scheme for our clients at all stages.

The Group's land team is supported by a national new homes operation that provides regional housing market intelligence and expertise in the selling of new homes through our estate agency branch network.

National network
of 44 Land Managers and Directors

New Homes

Connells Group prides itself on delivering a comprehensive service to meet and exceed the needs of builders and developers. Nationally, we sell a broad range of new homes from single units to large developments creating new residential areas.

We produce in-depth market intelligence, cost-effective marketing solutions and recruit knowledgeable sales representatives to work on site. We also offer dedicated new homes conveyancing and mortgage services, and can help with assisted move options or part exchange. We also work with a number of investors specifically looking to purchase new builds.

Our multifaceted approach to new homes products, our understanding of the needs of house builders and our ability to market new homes effectively make us the first choice for many leading UK builders and developers.

Mortgage Services

Connells Group has a national network of more than 650 Mortgage Consultants, offering advice on a range of mortgage and protection products.

Our mortgage services business offers a major distribution channel to lenders. Controlled and robust processes ensure the highest quality of service to lenders and customers.

The size and scale of Connells Group makes us one of the largest mortgage intermediaries in the UK.

Our customer-focused approach to mortgage provision, through our large network of Mortgage Consultants and their support teams, is the reason why customers come back to us time and time again.

THE | NEW

Connells

SURVEY & VALUATION

Survey and Valuation Services

Connells Survey & Valuation is a leading supplier of valuation panel management and associated residential valuation and surveying services.

We deliver flexible nationwide service solutions through over 450 dedicated people, including chartered surveyors and specialist service management staff.

Our clients operate across the property and financial markets, each requiring bespoke services to meet their needs, including:

- Mortgage valuations
- Private home buyer and building surveys
- LPA receivers valuations
- Repossession valuations
- Audit
- Portfolio analysis
- Expert witness reports

At the heart of our business is a sophisticated risk and fraud management model which is underpinned by Quality Assurance ISO 9001:2015 accreditation.

Award winning
service delivery

High quality
customer experience

Asset Management

Founded in 1997, the Asset Management Group (AMG) specialises in asset management services to banks, building societies, mortgage lenders and corporate clients.

Business and personal values are the key to AMG's success, treating each property individually, ensuring a personal and professional service with complete focus on fair customer outcomes.

AMG

OUR SERVICES INCLUDE:

- Possession and probate property sales
- Full marketing programme with comprehensive updates and reporting
- Live management information and updates via our online system
- Complete payment and invoicing process
- Assisted voluntary sales
- End of term assisted sales
- Shared ownership case management and sales
- Specialised maintenance company covering the UK

Corporate Lettings

In addition to lettings, our corporate lettings service offers property, block and portfolio management services to a wide range of clients and can be fully tailored to your needs.

Our experience handling property portfolios of all sizes, coupled with our national lettings branch network means we are uniquely placed to source tenants quickly, with the focus on achieving maximum rent and minimising void periods so our clients achieve maximum yields.

We appoint a dedicated Client Services Manager to each account who has a complete overview of a client's portfolio, supported by real-time management information, giving a well-informed, single point of contact.

Corporate lettings clients include:

- Asset managers
- Private investors
- Insolvency practitioners
- Lenders
- Administrators
- Institutional investors
- LPA receivers
- Social housing providers
- Professional landlords

Energy Performance Certificates and Inventories

Vibrant Energy Matters was established in 2008 to service the requirements of the Housing Act and The Energy Performance of Buildings (Certificates and Inspections) (England and Wales) Regulations 2007 in respect of the provision of Energy Performance Certificates (EPCs).

The business has grown substantially over the years to become the UK's leading provider of EPCs, responsible for one in every 10 that are carried out. Over recent years, we have successfully developed more than 25 different services for the residential and commercial property market and in that time we have also become the UK's largest provider of outsourced inventories. We have a diverse range of clients, ranging from one-branch estate agents to the largest social housing providers in the country.

Conveyancing

As part of Connells Group, Conveyancing Direct has provided expert legal services to the residential property market since 1992, and has grown considerably in recent years.

Priding itself on its staff, and using technology to full advantage, Conveyancing Direct focuses on delivering a professional customer service for purchases, sales and remortgages.
